

EQUIPMENT MAINTENANCE SIMPLIFIED.

Specialty Underwriters managed solutions will help simplify your service process while saving valuable time and money.

“The on-going management reports provided by SU Group has enabled management to pinpoint areas of equipment failures (within their branch network) to make informed decisions as it relates to new equipment purchases.”

WHO WE ARE

SU Group is the industry leader for equipment maintenance having developed the concept in 1982. Since then, thousands of organizations have placed their trust in SU, taking advantage of the cost savings, consolidation, convenience and control offered by the program.

WHAT TO EXPECT

SU Group offers the most innovative, flexible and comprehensive equipment maintenance management program (EMMP) available today.

The program converts eligible contracts to a time and material basis, contract-to-contract, or alternative solutions, while managing the vendors and assuming this financial risk.
