

EQUIPMENT MAINTENANCE PROGRAM

AVERAGE SAVINGS OF 20%

Specialty Underwriters has partnered with higher education institutions to help departments simplify their service process while saving time and money.

WHO WE ARE

SU Group is the industry leader for equipment maintenance having developed the concept in 1982. Since then, thousands of organizations have placed their trust in SU, taking advantage of the cost savings, consolidation, convenience and control offered by the program.

WHAT TO EXPECT

SU Group offers the most innovative, flexible and comprehensive equipment maintenance management program (EMMP) available today.

The program converts eligible contracts to a time and material basis, contract-to-contract, or alternative solutions, while managing the vendors and assuming this financial risk.
